

BRIERWOOD COUNTRY CLUB

2017 Swim Lesson Information

Guppies:

This group is for all new swimmers. Everyone can learn to swim! These groups will usually take place in the shallow end near the stairs to accommodate those who are not comfortable holding onto the ledge independently. Lessons will be geared towards teaching your child to be comfortable in the pool. This will include teaching floating, breath control, beginners stroke development, water confidence, swimming and using a noodle and pool safety.

Minnows:

This group is for swimmers who have had lessons before and are comfortable, but still may need assistance. The swimmer should have confidence in all depths of the pool, enjoy the water, and have some knowledge of freestyle and backstroke. Also, the child should be able to submerge themselves in the water without great hesitation. These classes are geared towards making the child a more independent swimmer.

Sharks:

This group is for swimmers who are independent in the water but still need significant stroke development and endurance skills to join a swim team. Emphasis will be placed on developing skills in all depths of the pool, self-sufficient stroke swimming and water safety.

Class Times:

Monday – Thursday (40 Minute Classes)

11AM – Guppies and Minnows

12PM – Minnows and Sharks

1PM – Guppies and Minnows

5PM – Guppies, Minnows & Shark

(No night lessons on Thursday when the Bandits have a meet)

Pricing:

\$65.00 – 4 lessons per week for 4 weeks

\$50.00 – 2 lessons per week for 4 weeks

\$40.00/hr – Private Lessons (*Payment is due at the time of each arranged lesson*)

*All charges, aside for private lessons, will be billed to the member account

Session I: June 26 – July 20

Session II: July 24 – August 17

Private Lessons are available, but limited. These are on a first come first serve basis, therefore slots run out. Any lesson teachers are open for private lessons.

Please contact Briahna Basil for more information about lessons or to schedule a private lesson.
